SPECIAL INSTRUCTIONS _____

Please send this form and patient demographics via fax (512-454-5853) in advance of the patient's scheduled appointment, or ask the patient to bring it on the day of the appointment.

PATIENT INSTRUCTIONS

- If you are being referred for a possible retinal detachment, have nothing to eat or drink after midnight prior to your appointment.
- Both of your eyes will be dilated for your exam.
- Please bring your glasses, eye drops, insurance cards and photo identification.
- If your insurance requires a referral, please request this from your primary care provider.
